HAWLEYS GEN X ANGUS

Bulls for Sale by Private Treaty

2026 Catalog

PHONE:

Bryan: 308 750 3460 (Cell)
(Text Available)

Gene: 308 789 6122 (anytime)

CONTACT US:

Please feel free to contact us at:
Bryan Hawley (Text or Call): 308 750 3460
Gene Hawley: 308 789 6122

PRICE RANGE:

\$5,000 to \$12,000

REGISTRATIONS:

Bull registrations will be transferred to you free of charge upon your request.

PAYMENT:

1/2 down when you select your bull, the remainder to be paid when you pick up the bull or the bull is delivered.

GUARANTEE:

Bulls selling for \$5,000 or more are guaranteed for 90 days from the first turnout against breeding injury. A credit of the purchase price less \$3,000 will be applied towards another bull if one is available, or if the buyer prefers, credit will be provided in the next year's sale. The buyer retains the salvage value of the injured bull, but is required to notify Hawleys Gen X Angus immediately so that inspection of the bull can take place. All notices must take place prior to September 1, 2026, and must include a letter of veterinary inspection pertaining to the injury including bull identification. This is not a mortality insurance policy, nor does it cover mismanagement or neglect. We do not cover injuries sustained prior to the breeding season if your bull is turned out with other bulls. We can assist you in retaining mortality insurance if you are interested.

DELIVERY:

Free delivery in Nebraska, or deduct \$100 off purchase price of each bull if you are willing to haul your own.

BOARDING:

Free of charge boarding until May 1st.
After May 1st will incur a \$3 per day charge.

DISCOUNTS:

Volume \$100/bull, Repeat \$100/bull

Hello from the Hawleys!

As we roll into 2026, we who are fortunate to be in the cattle business have to be truly grateful for the way we are blessed. Even with cattle prices at record highs, the demand for quality beef is strong. In our opinion, quality beef begins with Angus cattle.

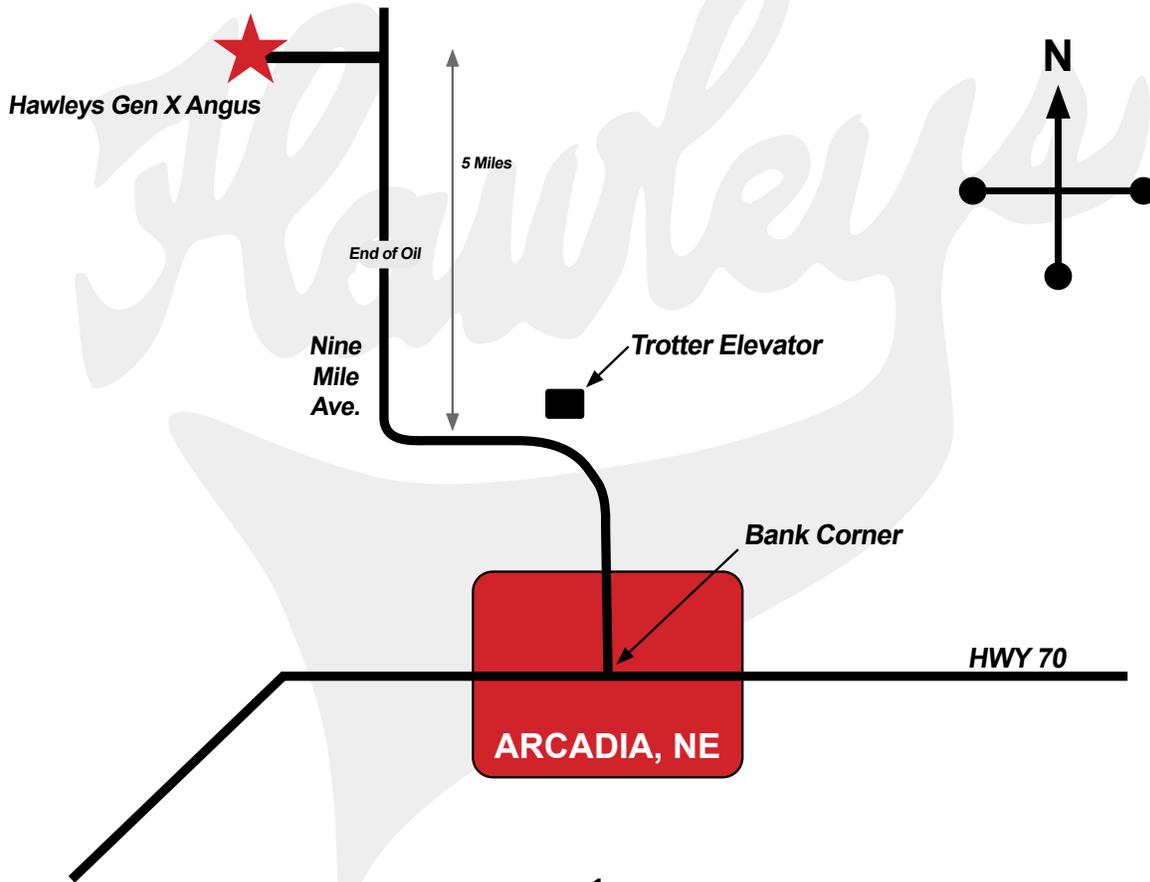

Once again, we are offering Registered Angus bulls for sale by private treaty. I believe anyone can find a bull that will work for their situation in this group of 45. These bulls are fed a high roughage, low grain ration, and have been a pretty quiet bunch to work with. **We invite you to our farm north of Arcadia for a two-day open house February 27 and 28.** Take this opportunity to evaluate the bulls, visit with other customers, and enjoy some good home cooking. If you are unable to attend, just come when you find an opportunity. That is the nice part of private treaty, we make time for you.

I always take this opportunity to say thank you to some important people. First, we thank God for the blessings we get each day, and that we live in the greatest country on Earth. Thank you to Grandpa Gene for the daily advice, and help when we need it. Will Kirwan puts in some long days for us and is an important part of the operation. Chris Paider and Sam Holcomb are always up to help with a cattle drive. Rick and Susan Hawley help make the shirts and hoodies possible. They, along with David Hawley, put together a great meal for our first Open House, and we look forward to the second. Kaitie Masters helps make tags and get the bull pictures done. Butch McIntosh made the bulls look sharp for picture day. Steph Gould at Morris Press does a tremendous job putting the catalog together. The biggest thank you goes to all of our customers: past, present, and future. Without you, there is no way we would be in our 23rd year of production.

Thank you all!
Sincerely,
Bryan Hawley

Bryan Hawley *Gene Hawley*

HAWLEYS GEN X ANGUS

OPEN HOUSE

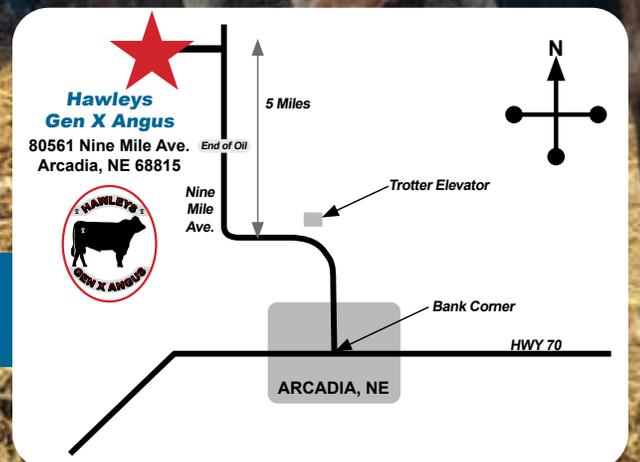

80561 NINE MILE AVENUE • ARCADIA, NEBRASKA

February 27 & 28
11:00am-4:00pm

You're invited to view the bulls and enjoy some refreshments

PATHFINDER DAMS

In the specs of each bull, you will see a line of information regarding the bull's mother, or perhaps the maternal grandmother. Occasionally, there will be an indication that one or both of these females is a **Pathfinder Dam**.

Pathfinder status is awarded to superior cows in the breed that meet a set of stringent requirements set by the Angus Association for calving date interval, and for producing at least 3 calves with an average ratio of 105 or more at weaning. Once a cow meets these requirements, she will always be a Pathfinder.
